

Microactuators, Microsensors and Micromechanisms (MAMM) 2022 Snippet

KID: 20220404

The 6th International Conference on Microactuators, Microsensors and Micromechanisms under the aegis of the International Federation for the Promotion of Mechanism and Machine Science (IFTOMM) was organized in IIT Hyderabad from 3-5 December 2022 which was followed by a pre-conference workshop in microsystem design, fabrication, and packaging on 2nd December 2022.

The conference was inaugurated by the Chief Guest Dr G Satheesh Reddy, Scientific Advisor to Defence Minister, in the presence of Prof. B S Murty, Director IIT Hyderabad, Dr. Nagahanumaiah, Director CMTI Bangalore, Prof G K Ananthasuresh, Mentor, MAMM 2022, Prof Ashok Kumar Pandey, Co-Chair MAMM 2022, Prof Prem Pal, Co-Chair MAMM 2022, invited speakers, delegates, and students.

The theme of the conference includes a wide range of topics related to microactuators, microsensors, and micromechanisms. There were good number of papers and abstracts. A total of 108 presentations were arranged in two parallel sessions that included keynote speakers, invited lectures, oral presentations, and posters.

The selected full papers have been published in the Mechanisms and Machine Science (MMS) series by Springer Nature Switzerland which is available online <https://doi.org/10.1007/978-3-031-20353-4>
