

IIT Hyderabad and NVIDIA Establish Joint AI Research Centre in India

KID:20200228

Housed at IIT Hyderabad, the NVAITC will focus on fundamental AI algorithms, as well as building solutions in the fields of Agriculture, Smart Cities, and Language Understanding

**Mr. Vishal Dhupar,
Managing Director
NVIDIA South Asia**

“NVIDIA is powering the AI revolution across research facilities everywhere. Our collaboration with IIT Hyderabad will accelerate AI research and help create innovative solutions to real-world challenges.”

The NVAITC represents another step in NVIDIA’s collaborations within the state of Telangana. The State Government recently announced 2020 as the ‘Year of AI’ with an aim to establish Hyderabad among the top 25 global AI innovation hubs. NVIDIA is already a partner to the government of Telangana in this endeavor.
