

IIT Hyderabad placements Phase-1 going strong with 466 job offers to 427 Students

Highlights:

- **Highest placements tally so far**
- **Total 466 job offers including 34 international offers & 82 PPOs (as on date).**
- **The top recruiters include Flipkart, Indeed, Infurnia, JP Morgan, Meesho, Microsoft NTT AT, Newzera, Silicon Labs, Suzuki Motor Corp, TSMC & Zomato.**
- **Phase-2 to begin by January 2022**

Hyderabad, 08 December 2021: Indian Institute of Technology Hyderabad witnessed 466 offers (which includes 34 international offers) made from 104 companies during Phase-1 of Campus Placements held between 1st-7th December 2021. The entire process was held online with students attending job interviews from their respective homes across the country. A total of 650+ students have registered for placements across departments this year. For Phase-1 of placements, a total of 210 (as on date) companies have registered, compared with about 116 companies in Phase-1 of last year (2020-21). A total of 195 companies had registered in the whole of last year (2020-21). Including the accepted Pre-Placement Offers (PPOs), a total of 427 students have already been placed in the ongoing Phase-1 Placements for the 2021-22 Academic Year. This compares favorably with the overall students placed in the entire previous academic year (2020-21), which was 305 students (including 49 PPOs).

The first graduating batch of interdisciplinary MTech programs at IITH like MTech in Smart Mobility has seen a 100% placement within the 1st week of the placement process. The number of students opting for semester-long internships has also more than doubled to 33 in 2021-22 as compared to 12 in 2020-21. A lot of India-based startups and companies are among the top recruiters this year. 10 start-ups have offered 36 offers this year. The highest package is 65 L, and the average package is 23 L as on date for the ongoing Phase-1 placements.

Expressing his delight on best placements season so far, Prof B S Murty, Director, IIT Hyderabad said, *"We believe in creating industry-ready talent pool and I am confident that the measures being taken for past one year will certainly fetch the appropriate dream jobs for the students. The various initiatives taken in the last two years like Semester-long Internship for BTech, Interdisciplinary MTech, Industry lectures, industry-defined MTech projects & so on, have started yielding results and we will continuously improvise on it."*

Congratulating students for this great start, Prof C Krishna Mohan, Dean (Public & Corporate Relations) said, *"We have revamped the placement office at IIT Hyderabad to Office of Career Services two years back with the sole objective to take care of overall career development of the students including the counseling to decide the appropriate career. A targeted goal is conducive to achieving, as evident from this year's placements."*

This placement season started on a positive note with the 82 Pre-Placement Offers (PPO), as opposed to 49 PPOs in the previous academic year. Phase-2 of Placements will begin during January 2022. There is the same trend in international offers this year too when compared to last year. For the current placement year 2021-22, we have received 34 international offers (as on day) from 07 companies across 2 countries

(i.e., Japan & Taiwan). More international offers are expected in phase 2. For placement year (2020-21), we have received 30 international offers from 8 companies across 2 countries (Japan & Taiwan).

Speaking about Phase-1 of Campus Placements, Dr Abhinav Kumar, Faculty In-Charge (Office of Career Services), IIT Hyderabad, said, “The OCS student team has been working hard supported continuously by our OCS staff (even during these pandemic times). We are glad to see the placement season at IITH has started on a positive note.”

About IIT Hyderabad

Indian Institute of Technology Hyderabad (IITH) is one of the eight new IITs established by the Government of India in 2008. In a short span of **12** years, the institute has become a top ranker and currently has **245** full-time faculty, **3,871** students (**20%** women), and nearly **200** state-of-the-art laboratories, and five research and entrepreneurship centers. The institute has a strong research focus with approx. Rs **575** crore of sanctioned research funding with PhD scholars accounting for about **30%** of total student strength. IITH has to its credit more than **~6000** research publications, **195** patent disclosures, **1440** sponsored/consultancy projects, and about **70** startups.
