

IIT Hyderabad Placements Phase-1 going strong with 508 Job Offers to 474 Students

Highlights:

- **Highest placements tally so far with highest Job Offer of Rs. 63.78 L**
- **Total 508 job offers, including 54 international offers & 99 PPOs (as on date)**
- **The top recruiters include Accenture Japan, Denso, Flipkart, Morgan Stanley, NTT AT, Oracle, Sprinklr, Suzuki Motor Corp, Texas Instruments, TSMC & Zomato**
- **Phase-2 to begin by January 2023**

Hyderabad, December 09, 2022: Indian Institute of Technology Hyderabad witnessed 508 offers (which includes 54 international offers) made from 144 companies during Phase-1 of Campus Placements held between 1st-7th December 2022. The entire recruitment process was held in hybrid mode. A total of 700+ students have registered for placements across departments this year.

For Phase-1 of placements, a total of 13 (as on date) International companies have registered, compared with about 12 International companies in Phase 1 & 2 of last year (2021-22). In addition, 54 International offers were made in Phase I, which is higher than the previous year's international offers (46 offers in both Phase 1 & 2).

The first graduating batch of BTech in the AI department at IITH has seen an 82 % placement within the 1st week of the placement process. The number of students opting for semester-long internships has also increased to 51 this year as compared to 33 last year.

The prominent hiring sectors included core engineering, IT/Software, Finance and Consulting. A lot of India-based & International based startups and companies are among the top recruiters this year. The highest package is 63.78 L, and the average package is 19.49 L as on date for the ongoing Phase-1 placements. The company Blend 360 has released the highest number of offers.

Expressing his delight on the best placements season so far, Prof B S Murty, Director, IITH, said, "We believe in creating industry-ready talent with strong fundamentals, which certainly will fetch the dream jobs for the students. The various initiatives taken in the last two years, like Internship for BTech, Interdisciplinary MTech & so on, have made us achieve these numbers, and we will continuously innovate to make our students prepared to fulfil their dreams."

Congratulating students for this great start, Prof C Krishna Mohan, Dean (Public & Corporate Relations), IITH, said, "Exceeding our own benchmark of the previous year in the given scenario reflects the dedicated and diligent efforts of the team, and we will ensure to have better performance in future."

This placement season started on a positive note, with 99 Pre-Placement Offers (PPO), as compared to 82 PPOs in the previous academic year. Phase-2 of Placements will begin in January 2023. There is the same trend in international offers this year too, when compared to last year. For the current placement year 2022-23, we have received 50 international offers (as on day) from 07 companies across 2 countries (i.e., Japan & Taiwan). More international offers are expected in Phase 2. For the placement year (2021-22), we have received 46 international offers from 9 companies across 2 countries (Japan & Taiwan).

Speaking about Phase-1 of Campus Placements, Dr Abhinav Kumar, Faculty In-Charge (Office of Career Services), IITH, said, "The OCS student team has been continuously working along with our OCS staff to facilitate the placement and internship process at IITH. We are glad to see that the placement season at IITH has started on a positive note."

About IIT Hyderabad

Indian Institute of Technology Hyderabad (IITH) is one of the eight new IITs established by the Government of India in 2008. In a short span of **14** years, the institute has become a top-ranker.
