

IIT Hyderabad Secures Global Recognition in Six Subjects in QS World University Rankings by Subject 2025

Highlights:

- *The Indian Institute of Technology Hyderabad (IITH) has been ranked among the world's top universities in six subjects*
- *Three subjects appearing in the rankings for the first time*
- *In a broad subject area, we secured a ranking between 501-550 for the first time.*
- *Improved its world and Asia ranking*

Hyderabad, 13th March 2025: The **Indian Institute of Technology Hyderabad (IITH)** has been ranked among the world's top universities in **six subjects** in the latest edition of the **QS World University Rankings by Subject 2025** (<https://www.topuniversities.com/subject-rankings>).

This prestigious ranking is a testament to IITH's academic excellence and research impact. The QS rankings evaluated over 18,300 university programs across 1,700 institutions in 100 locations worldwide, making this recognition a significant achievement for the institute.

IITH has been ranked in **six subjects**, with **three appearing in the rankings for the first time**:

- Materials Science (*New entry*) (401-550)
- Electrical & Electronic Engineering (*New entry*) (501-550)
- Chemistry (*New entry*) (601-700)
- Mechanical, Aeronautical & Manufacturing Engineering (501-575)
- Physics & Astronomy (501-550)
- Computer Science & Information Systems (701-750)

In the broad subject area "Engineering & Technology" we secured a ranking between 501 and 550 for the first time, securing 1st rank among second generation IITs and 8th rank among all IITs.

The QS world university rankings 2025 released in June 2024 confirmed that IITH continues to secure its position among the Top 10 technical institutes in the country.

QS Ranking	World	Asia	IITs (Derived)
2025	681-690	320	10

Expressing his pride in this accomplishment, Prof. B. S. Murty, Director, IIT Hyderabad, stated: "As we celebrate this milestone, we remain committed to our founding vision of being an institute of eminence—one that not only contributes significantly to India's growth but also makes a meaningful impact on the global stage."

About QS World Ranking:

QS Quacquarelli Symonds (QS) is a leading global provider of services, analytics, and insights to the higher education sector. Their mission is to empower motivated students worldwide to fulfill their potential through educational achievement, international mobility, and career development. QS is renowned for its annual **QS World University Rankings**, which evaluate universities globally based on various performance indicators. These rankings have become a trusted resource for students, educators, and policymakers to assess institutional quality and make informed decisions.

About IIT Hyderabad:

IITH, established in 2008, as one of the second Generation IITs, has reached a respectable position in both academics, research, technology development and startups in the short span of 16 years. In the recent Indian National Ranking (NIRF-2024), IITH is placed at 3rd in Innovation and 8th among Engineering institutes in India.

It has 325+ full-time faculty, 5,300+ students (PG+PhD students accounting for about 60%). The institute has a strong research focus with ~4400 projects with Rs. 1400+ Cr of R&D funding (Rs. 250 Cr funding in 2023-24), 11,650+ publications, 490+ Patents (210 patents in 2024 and a commitment to “Patent a Day: Mission 365” for 2025 to earn 365 patents by the end of 2025), and about 260+ startups (that have generated 1100+ jobs and a revenue of Rs. 1500+ Cr).
