Hyderabad, February 10, 2023: It's our pleasure to announce that IIT Hyderabad (IITH) will offer 150 internships to undergraduate students (non-IITH) this year under its newly launched **Summer Undergraduate Research Exposure (SURE) scheme**. The call for inviting applications across all 18 departments is now open on the IITH website and SRC social media pages. **Applications may be submitted by Feb 22, 2023.**

The link for the applications is as follows: <https://iith.ac.in/research/SURE/>

The internship period starts from May 15 and is for 2 months (i.e. till July 14, 2023). Selected candidates will get a consolidated honorarium of 15,000 INR for these two months. The selection of candidates for the internship will be made Department-wise based on the individuals' credentials and research inclination in the respective field.

Outlining the importance of the SURE Scheme, Prof B S Murty, Director, IITH, said, "IITH promotes the spirit of inventing and innovation in Technology for Humanity. The SURE Scheme is the true extension of this motive of leveraging our research & innovation ecosystem to the entire country. I am confident the exposure to the research & innovation ecosystem at IITH will boost & significantly contribute to the Entrepreneurship Index of the country".

Elaborating on the objective of SURE, Prof Chandra S Sharma, Dean (Sponsored Research & Consultancy - SRC), said, "The aim of this scheme is to nurture & attract potential and bright PhD students apart from encouraging research culture among UG students and at the same time, hand holding Tier-2/3 Institutes as a social responsibility of all of us."

The announcement poster is also attached for your quick reference.
