

## ***IIT Hyderabad, with BHU Varanasi as its paired institute, announces its Participation as a Nodal Centre for Telangana in Yuva Sangam (Phase - III)***

**Hyderabad, October 26, 2023:** Indian Institute of Technology Hyderabad (IITH), with Banaras Hindu University (BHU) Varanasi as its paired institute, is delighted to announce its participation as a Nodal Centre for Telangana in the esteemed Yuva Sangam (Phase - III) initiative. This initiative, a brainchild of the Government of India under the Ek Bharat Shreshtha Bharat program, aims to strengthen the bonds between youth from diverse states, fostering unity and understanding among our nation's vibrant young minds.

### ***Yuva Sangam in a Nutshell:***

Yuva Sangam, an extraordinary initiative, unites youth from across India, offering exposure tours to different states. This program allows students, off-campus youths, NSS volunteers, and individuals aged 18-30 to explore India's rich culture, traditions, development, and technology. The tours are planned to take place from November to December, providing a comprehensive understanding of India's diversity and unity.

### ***The Objective of Yuva Sangam:***

The core objective of Yuva Sangam is to offer our youth a multi-dimensional exposure under five broad areas: Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Paraspar Sampark (People-to-people connect) and Prodyogiki (Technology).

**Encouraging the youth of the Telangana state for this incredible opportunity, Prof B S Murty, Director, IITH, said, "IITH, driven by its motto to 'Invent & Innovate in Technology for Humanity' and in alignment with the National Education Policy (NEP) 2020, proudly announces its role as a Nodal Centre for Telangana in Yuva Sangam (Phase - III), and is glad to partner with BHU Varanasi. This initiative, a visionary creation of the Government of India under the Ek Bharat Shreshtha Bharat program, strives to unite and empower our youth, fostering cultural promotion and interdisciplinary learning, and will encourage technological innovation."**

### ***Registration is Open Now for Yuva Sangam:***

We are excited to invite all eligible Indian youths to participate in this transformative experience. If you are between the ages of 18-30 and passionate about exploring the rich tapestry of India, interacting with fellow youth, and broadening your horizons, we encourage you to register for Yuva Sangam (Phase - III). **Please note that the registration deadline is **October 28, 2023**.**

**For more information about Yuva Sangam (Phase - III) and the registration process, please visit the official portal <https://ebsb.aicte-india.org/>**

### **About IIT Hyderabad:**

Indian Institute of Technology Hyderabad (IITH) is one of the eight IITs established by the Government of India in 2008. In a short span of 15 years, the institute has become one of the top-ranked institutions in the country and has received global recognition. It has 300+ full-time faculty, ~4,800 students, 18 Departments + 1 Centre for Interdisciplinary Programs, nearly 500+ state-of-the-art Research Facilities, and five research and entrepreneurship centres. The institute has a strong research focus with approx. Rs 950+ crores of sanctioned research funding, with PG+PhD students accounting for about 60% of total student strength. IITH has more than 9,00+ research publications with 1,35,000+ Citations, 190+ Published Patents, 3,700+ sponsored/consultancy projects with 500+ running projects, and about 135+ startups that have generated 1000+ jobs and a revenue of Rs. 1200+ Cr.
